EUGENE N. FISCHER
Breeder and Grower of the Fischer Strain Gladiolus
R.F.D. Box 163
Sharon, Massachusetts

NEW INTRODUCTIONS FOR 1933

JOHN T. KALER - The only seedling that scored high and received an award at the New England Gladiolus Society's Exhibition of 1932. The color is a fine blend of light red orange to light orange and light yellow orange with orange red blotch. Tall with a stately spike.

Large	Medium	Small	No bulblets for sale.
\$3.00 each	\$2.00	\$1.00	

1932 INTRODUCTIONS

FRANK O. SHEPARDSON - The only gladiolus that was awarded the Massachusetts Horticultural Society centennial medal in 1929. A large decorative flower of a beautiful pink color.

Large	Medium	Small	Bulblets
\$2.00 each	\$1.50	\$1.00	6 for \$1.00

JOHN SHARMAN - A fine salmon variety that grows tall with a full strong spike.

Large	Medium	Small	Bulblets
\$1.00 each	75¢	50¢	12 for \$1.00

MRS. VIOLET R. WYMAN - A fine large pure white flower with a pink line, good substance and an all around good variety.

Each \$1.00	No other sizes or bulblets for sale.
-------------	--------------------------------------

NEW VARIETIES FOR 1930

NO. 345 - PRIDE OF SHARON - This variety is decorative and effective as a garden flower, as it has very large open flowers of good substance and well placed on a strong stem. The color is white with crimson blotches.

Each - 50¢

NO. 787 - WILLIAM R. DAVIS - White, slightly blushed a cool pink with a blue violet blotch, nearer to a blue blotch than any I have seen. Very distinctive and good for breeding. Much admired by visitors, as it is attractive and beautiful with a full showy spike.

Each - 75¢

VARIETIES INTRODUCED IN 1929

NO. 689 - MARY CAPEN - A very fine orange gladiolus, the best orange. Tall plant with about 5-6 out at one time. An especially good cut flower variety, as it is early and a good propagator. Flowers of fair size, about 4 inches.

Each - 15¢

NO. 729 - ROB ROY - A good pink with a soft red blotch. Flowers 4½ inches of good substance, and a very good propagator.

Each - 10¢

PREVIOUS INTRODUCTIONS

NO. 8 - DR. R. T. JACKSON - A good solid red of a dark velvety tone.

Each 10¢ - Dozen \$1.00

NO. 22 - SOPHIE FISCHER - Fine large pink flowers of good substance, on a strong stem. Awarded first prize for best pink seedling at the American Gladiolus Society's Exhibition in Boston, 1914.

Each - 20¢

NO. 136 - HENRY C. GOEHL - Flowers large and well opened, with broad segments of solid white slightly flushed pink. A deep crimson blotch on the lower segments. Spike is good with well placed flowers, and five to seven open at one time. Awarded a Certificate of Merit by the American Gladiolus Society at Boston, 1916.

Each - 10¢

NO. 219 - MRS. FREDERICK C. PETERS - Beautiful shade of rose lilac, with crimson blotch bordered white on lower segment; resembling an orchid in color. Flowers of large size and many open at one time on a strong stem. Healthy plant with good green foliage. Very choice; admired by everybody. Awarded a First Class Certificate of Merit by the Massachusetts Horticulture Society and a Certificate of Merit by the American Gladiolus Society.

Each 10¢ Dozen \$1.00 Per 100 - \$7.50

NO. 339 - MRS. WM. E. CLARK - A fine salmon pink with bright crimson blotch; has a perfect long spike. Good propagator. Received a Certificate of Merit from the American Gladiolus Society.

Each - 10¢

NO. 349 - SUNNymeDE - Rare shade of orange yellow with red blotch. A fine distinct variety.

Each - 10¢
